Peak Advising Time

Your pre-health advisor is available to discuss your academic plans, preparation, and competitiveness for health professions graduate programs. You can identify your pre-health advisor by the first letter of your last name in the chart to the right. March is peak advising season! Appointments times fill up quickly! If you have been unable to schedule an appointment time with your pre-health advisor, please continue to check back. New appointment times open daily. To schedule meeting, please visit http://appointment.as.ua.edu/.

OHPA will continue to offer On Call Advising each afternoon, Monday - Thursday from 1:00 p.m. to 3:00 p.m. for quick questions and for students to seek help with time sensitive issues. To connect with a pre-health advisor via the On Call option please visit https://as.ua.edu/student-services/on-call-advising/.

MAXIMIZE your appointment time!
Take time to P.R.E.P. for your advising appointment!

PLAN Arrive prepared with questions; review resume, course sequences and degree plan in DegreeWorks.
REFLECT Is this major/path still right for me? Am I competitive? What are my barriers to success?
ENGAGE Share this plan with advisors and mentors. Create realistic action plans.
PRACTICE Enroll in classes at your registration time. Find ways to demonstrate your passion.

Who is my Pre-Health Advisor?

A—F
Ms. Lanna Johnson

G—L
Mrs. Eve Machado

M—S
Mrs. Latandra Smith

T—Z
Mrs. Marian Denham
Announcements & Important Dates

- **Summer Undergraduate Research Experience** UA REU in Interdisciplinary Convergence to Advance the Biotechnological & Bioscience Workforce is organized by the Departments of Chemical and Biological Engineering and Chemistry & Biochemistry. This program spans 10 weeks and offers opportunities for up to 10 students from UA and other institutions across the nation. Available research projects train students on research techniques and tools in the biotechnology and bioscience fields. Application deadline date is March 28th. Visit [http://reu.eng.ua.edu/programs/interdisciplinary-convergence-advance-biotechnological-bioscience-workforce/](http://reu.eng.ua.edu/programs/interdisciplinary-convergence-advance-biotechnological-bioscience-workforce/) for more information and to apply.

- **2021 UA Undergraduate Research & Creative Activity Conference (URCA)** will be held on March 31st at the Bryant Conference Center. For more information visit [http://ovpred.ua.edu/urca/](http://ovpred.ua.edu/urca/).

- **Service Opportunity!** Seeking highly motivated, dependable, and experienced soccer players to volunteer as soccer coaches for 1st and 2nd grade teams. Coaches will serve with Upward, a faith-based, not-for-profit community league at Circlewood Baptist, a local Tuscaloosa community church. Must be available on Tuesday or Thursday afternoons and Saturday mornings. The season begins March 22nd and ends May 23rd. Interested applicants should contact Steven Nelson, League Director, at snelson@circlewood.org with current resume and references.

- **VCOM Auburn Open House** will be held virtually on Friday, March 26th from 1:00—4:00 p.m. CST. R.S.V.P. at [https://www.vcom.edu/admissions/visit-us/register-open-house](https://www.vcom.edu/admissions/visit-us/register-open-house).

Virtual Career Fair

MEDICAL/PRE-MEDICAL STUDENTS

When you’re pursuing an advanced health care degree, the last thing on your mind should be how you’re going to pay for it. The U.S. Army can help with one of the most comprehensive scholarships available in the health care field — the F. Edward Hébert Armed Forces Health Professions Scholarship Program.

March 18th / 1pm - 9pm (EST)

REGISTER TODAY!
