Meet Your Pre-Health Advising Team

Here are the ways meet with a pre-health advisor this semester:

- **15 minute VIRTUAL** appointments and **30 minute Face-to-Face** appointments. Both allow a comprehensive conversation with your advisor. Students are expected to come prepared with questions/concerns to best maximize the time allotted. When booking a prehealth advising appointment, make sure that it says “prehealth” next to the advisor’s name in the appointment scheduler. If not, you will meet with a general, non-prehealth advisor.

- **On-Call VIRTUAL** on Mondays from 1:00 p.m. to 3:15 p.m. This is for quick questions and held via Zoom.

- **In-Person Drop-In** on Tuesdays, Wednesdays, and Thursdays in 200 Clark Hall. This is for quick questions. Prepare to wait as wait times vary.

Visit [https://as.ua.edu/student-services/make-an-appointment/](https://as.ua.edu/student-services/make-an-appointment/) in order to book appointments or log into the On-Call Zoom sessions.

If there are no appointment times available, check back as new appointment times are added daily. Appointments are available now! Get ahead of the rush! Peak advising happens around the end of September and we book fast. Plan ahead and schedule a time to discuss your prehealth track soon!
